Subject: FW: Saltworks JD Submission (May 30 2012) - part 3 of 3

This is the complete package of materials submitted by Redwood City Saltworks to EPA and ACOE on May 30, 2012. Please note that the legal analysis of federal jurisdiction of the site that is set forth in two of the documents, "1 Redwood City Saltworks Approved JD Submission Letter" and "Attachment B Approved JD Submission," is not part of the technical direction for this project, but background information contained in the documents may be of some use.
